

YOUR OBJECTIVE

Practice everyday conversation, have simple and complex conversations. Be able to discuss current events.

METHODOLOGY

Conversation topics are introduced by short trigger documents (an image, text, audio or video file) and different types of activities are suggested to encourage maximum speaking time.

CONTENT

The activities offered are tailored to the workshop level (A2, B1, or B2).

The topics covered are selected by teachers based on two criteria:

- Current affairs topics in France and French-speaking countries in a variety of fields (fashion, economics, politics, society, the environment, health, science, and culture)
- Current affairs topics based on the national or local French cultural calendar (in Nouvelle-Aquitaine) depending on the season

For example: holidays, traditions, major sporting events (the French Open, the Tour de France), economic events (sales), political events (elections), cultural events, music festivals, film festivals (the Cannes Film Festival), etc.
